**HELP SUPPORT WORK AS RECOVERY!**

## THANK YOU

Twenty-eighteen was filled with countless participant successes, and exciting program expansion! For the first time, we reached exemplary fidelity in our Supported Employment program. This achievement directly contributed to our ability to support 132 new hires.

Our two State Certified Peer Specialist Trainers offered 144 hours of training to 51 people. It's great to be part of the growth of the peer movement.

Thank you for all you do to support this important work. We invite you to join us on May 5th, 2019 for our annual fundraiser, Moving for Mental Health 5K & 1 Mile run/walk. Visit our website to learn more. Hope to see you there!
