

Chrysalis is a non-profit organization whose mission is to promote mental health recovery in our community by supporting work opportunities that encourage hope, healing, and wellness. Chrysalis is primarily funded by a Dane County Department of Human Services and also receives funding from Community Shares of Wisconsin, the Wisconsin Department of Vocational Rehabilitation, and community donors. To learn more, visit workwithchrysalis.org or call 608-256-3102.

MOVING FOR MENTAL HEALTH 5K & 1 MILE RUN/WALK

We invite you to help us celebrate our 9th Annual Moving for Mental Health on Sunday, May 3rd, 2020 by becoming an event sponsor!

Last year over 200 runners and walkers came out to support Chrysalis and recognize the important role work and physical activity play on wellness. The Capitol City Trail provides a safe and beautiful path to jog and walk through while raising awareness about the benefits of a holistic approach to mental health treatment. All proceeds from this day of fun and exercise go directly to supporting Chrysalis' ongoing work to provide individualized vocational services to persons in our community who have mental health challenges.

Show your support for mental health by becoming a sponsor. Moving for Mental Health will be advertised throughout the Madison community. Moving for Mental Health is a family friendly event – strollers are welcome. We invite you to review our sponsorship levels and their benefits.

Sponsorship Levels

\$1,000+
